**VENDOR FORM**

Public Safety Day was founded in 2009 to shine the spotlight on Central Texas first responders and their mission in a fun, educational event for the Lake Travis community. This day gives the citizens a chance to interact with first responders on a level that does not involve an emergency situation and to learn about what they do and the tools they use to keep you, your family and pets safe!

In its 9th year, agencies from across Central Texas will bring their helicopters, police cars, motorcycles, ambulances, fire trucks, rescue boats, ATVs, K-9's, horses, wildland fire mitigation equipment, and much more. There will be music, food and drink, local businesses and non-profit groups, Kid's Fun Zone, Home Depot Kid's Workshop and much more for the family to enjoy on a nice autumn day!
